

JINDALUME
Al-Zn (BGL) COATED COILS & SHEETS

Solid Support for Solar Structures

Powering the Future with Jindalume

For solar panel mounting structures, durability and efficiency are key. That's why leading projects trust Jindalume Al-Zn Coated Steel from Jindal (India) Ltd., a steel industry pioneer for over 70 years.

Engineered for strength, sustainability, and superior performance, Jindalume is the preferred choice for solar projects. Choose Jindalume to build long-lasting, energy-efficient futures.

JINDAL (INDIA) LIMITED

JINDALUME

Al-Zn (BGL) COATED COILS & SHEETS

Advantages of Jindalume:

High Strength with Corrosion Protection

High Strength Al-Zn coated steel delivers superior durability and corrosion resistance.

Lightweight for Easy Handling

Strong yet light, allowing faster handling, fabrication, and installation with reduced labour costs.

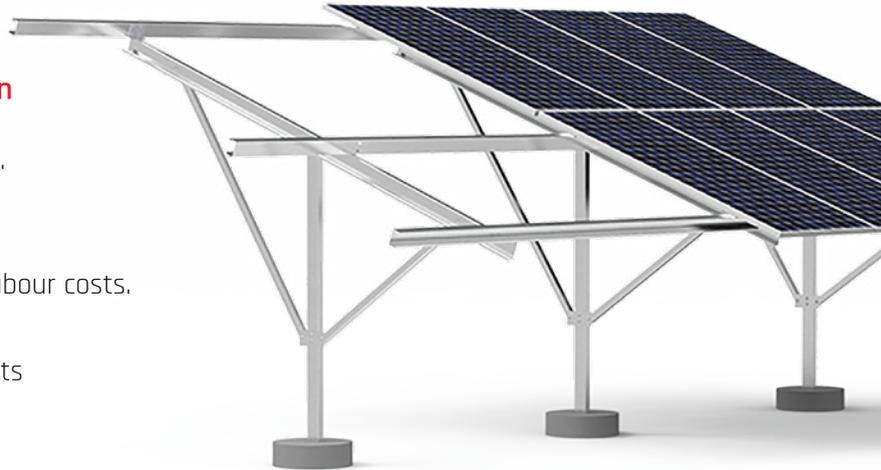

Low Maintenance, Long Life

Extended service life minimises replacements and maintenance costs.

Superior Weather Resistance

Maintains strength and appearance under prolonged sunlight, coastal, humid, or extreme weather conditions.

What sets us apart:

Rigorous Quality Control: Certified to international standards, with rigorous quality checks and approved raw materials ensuring durability and reliability.

World Class Technology: Advanced manufacturing with smart automation and digital tracking ensures precision, efficiency, and consistent transparency.

Excellent Service Levels: Quick deliveries, dedicated customer support, flexible solutions, and reliable availability even for small MOQs.

Jindalume Specifications:

Description	Specification details
Product	Al-Zn Alloy Coated
Thickness Range	Upto 2.0 mm
Width Range	Upto 1450 mm width, 0.90 mm TCT
	Upto 1350 mm width, 2.0 mm TCT
AZ Coating (GSM)	Upto AZ 200
Strength	240 Mpa to 550 Mpa
Passivation	Acrylic Coating -Cr6 - AFP
Surface	Regular Spangle
Slit Width	As per Customer Requirement

Reference Standard	Grade Category
IS 15961	YS 250 / YS 300 / YS 350 / YS 550
ASTM A792 / A792M	SS 33 / SS 37 / SS 40 / SS 50 / SS 80
AS 1397	G250 / G300 / G350 / G550
EN 10346	S250GD / S280GD / S320GD / S350GD S550GD
JIS G 3321	SGLCC / SGLC 440 / SGLC 570
