## A LEGACY OF TRUST & EXCELLENCE

Jindal India Limited has been a leader in the steel industry for over 70 years, contributing to the nation's infrastructure and industrial growth. As a key part of the renowned B.C. Jindal Group, we specialise in providing innovative and sustainable steel solutions.

With a strong domestic and global presence, Jindal India Limited is at the forefront of the steel industry, offering a wide range of products, including colour-coated and galvanized steel sheets & coils, cold-rolled steel, API pipes, ERW galvanized and black pipes, metal beam crash barriers and hollow section pipes.

### Our Strengths

#### BEST QUALITY PRODUCTS

Crafted with precision and innovation, our products redefine excellence and durability.

#### CUSTOMER-CENTRIC APPROACH

Committed to quality, reliability, and customer satisfaction.

#### TECHNOLOGICAL EXCELLENCE

Innovating to meet modern needs with cutting-edge solutions.

#### GLOBAL REACH

Exporting high-quality products to Latin America, the Far East, and beyond.

Part of the  
B.C. Jindal Group

70+ Years of  
Steel Excellence

Driving India's  
Steel Growth

# COLOURS OF STRENGTH

Jindal Sabrang colour-coated sheets combine vibrant aesthetics with unmatched durability, symbolising strength in every shade. 'Colours of Strength' reflects their ability to withstand extreme conditions while enhancing structural appeal.

With superior aluminium-zinc coating, these sheets offer exceptional durability, superior rust resistance and all-weather protection. They are an ideal choice for residential, commercial, and industrial applications, ensuring both optimal performance and visual appeal.

## Built Different & Better

**Durability to withstand  
harsh weather conditions.**

**Fade-resistant colours  
that maintain their appeal.**

**Superior corrosion  
resistance.**

# CRAFTED TO OUTPERFORM

## Superior Strength
